Forsyths continues to grow with the appointment of Cameron Scott as a Principal within its Financial Services group, based in our Armidale office.

The appointment of Cameron reflects our continuing efforts to establish a pre-eminent financial planning business and in doing so, ensure that we make good on our commitment to provide clients with a desired range of integrated business and financial services.

Cameron joins with over 10 years experience in the financial services and advisory sector in both Sydney and regional NSW. “The appeal of a Group with its own Australian Financial Services Licence, a focus on self-managed superannuation funds and direct equities without the use of Wrap accounts was compelling - there is a real involvement with clients as part of their advisory team here.”

Also joining the existing Armidale team of David Wysel – Principal and Julia Bright - Admin Support is Emily Stephen. Emily comes to the team as a Trainee Para Planner and will be assisting both David and Cameron in their roles.

In Tamworth the Financial Services team has also grown over the past 18 months and now consists of James Wallace – Principal, Craig Benham – Financial Adviser, Kate Martin – Para Planner, Kylee Nash – Para Planner & Lara Honeyman – Admin Support.

Craig Benham previously worked for Macquarie Bank in Sydney before joining Forsyths FS in November 2006. In that time he has developed a close relationship with clients in Tamworth and taken a particular interest in the Gunnedah & Coonabarabran offices, regularly taking him past the family property near Mullaley.

These appointments add to the capacity of Forsyths to service the entire North - West and New England region.
