## WHAT'S HAPPENING AT FORSYTHS

Over the last 12 months we have worked harder at trying to keep you up to date with information that we hope has been of value to you..

We have done this by hosting seminars which addressed succession planning and self managed superannuation and by providing monthly e-newsletters covering a variety of tax, financial planning, personal insurance, superannuation and business management issues.

We will continue this approach into the new financial year and welcome any suggestions about specific issues that you would like addressed.

Please email your suggestions to [armidale@forsyths.com.au](mailto:armidale@forsyths.com.au)
